

Dr. Jeremy Katcher Achieves Board Certification
Specialist in Allergy/Immunology

Washington, MO, December 27, 2010 - Jeremy Katcher, MD, allergist/immunologist with Patients First Health Care, has passed the certification examination in allergy and immunology from the American Board of Allergy and Immunology (ABAI).

The ABAI is an independent, non-profit organization whose certificate is recognized throughout the world as a credential signifying a high level of physician competence. The purpose of certification is to provide assurance to the public and the medical profession that a certified allergist/immunologist has successfully completed an accredited educational program and an evaluation process.

Dr. Katcher joined Patients First Health Care in August, 2010. In addition to treating environmental and food allergies, Dr. Katcher specializes in the diagnosis and treatment of asthma. He sees children age 18 months and older and adults by appointment in his office at the company's Washington Campus. Appointments for Dr. Katcher are now being accepted by calling (636) 231-3790.
