DR. DIXON-SCOTT ACHIEVES BOARD CERTIFICATION

Washington, MO, October 16, 2009..... Dr. Barbara Dixon-Scott, Gastroenterologist with Patients First Health Care, has successfully completed the recertification examination of the American Board of Internal Medicine. Board certification confers a standard of excellence in knowledge and practice to physicians who not only certify via the examination process, but who also work diligently on the maintenance of these skills during the ten-year cycle between examinations.

The exam is designed to evaluate the extent of the candidate's knowledge and clinical judgment in the areas in which a gastroenterologist should demonstrate a high level of competence. Expertise in the broad domain of gastroenterology, including hepatology, and the diagnosis and treatment of both common and rare conditions that have important consequences for patients, is assessed.

Dr. Dixon-Scott's gastroenterology practice is located at 450A Cumberland Way in Sullivan.
